Evangelizing today's children...

1 John 4:18 says, "There is no fear in love, but perfect love casts out fear."

Praise the Lord! In October, we continue our bible study in 3 different areas, Brgy South the slum community at Purok Islam, Brgy Fatima, and Brgy. Mabuhay. There were 20 young People, 51 adults, and 55 kids. We conducted a bible study at 6 a.m., with many adults and young people responded to the gospel message by placing saving faith in Jesus. We served breakfast after the said bible study. Thank God for His provision.

We also continue the RADIO ESKWELA DepEd. Sarangani, program, many kids responded through calling and texting, and even on the Facebook page of DXRG 96.7 FM INFINITE RADIO. We are still not allowed to enter the borders and Barangays in Sarangani Province because many are COVID positive in General Santos City. We look for opportunities to continue sharing the message of salvation here in the city.

December 3, 2020, CEF Sarangani celebrating its 15 years of God's faithfulness. God enables us to feed 70 people who came from Purok Islam & Brgy Fatima. We gave-away rice and groceries, the wonderful things that happen during the celebration they went to the altar surrendering their lives to Jesus and committed to serving the Lord. In the afternoon we went to Purok Islam to feed 55 kids with chicken joy, spaghetti, ice cream, and gave-away wafer and chocolates.

"Likewise, I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth." Luke 15:10

Praise the Lord! 39 people attended our bible study at Purok Islam and Brgy. Fatima has surrendered their whole life to Jesus Christ and submitted to water baptism. And now they are faithfully attending church worship service at CITY ECOFI CHURCH, Barangay East Zapote Street, General Santos City To God be the glory!

Thank God for the opportunity to visit and share with those less fortunate families in Sarangani Province, spending the festive season with nothing food on the table. We giveaways spaghetti pasta with complete ingredients, and some others. We went to visit our Goodnews club in the Alabel area, we conducted Christmas outreach, also brought simple gifts and food. Children were so excited you can see a big smile on their faces.
